

# Why Store it Dirty?

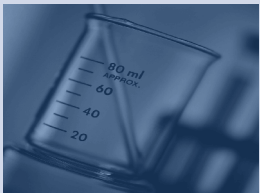

Bartwood presents the Esporta Wash System-

“Kills 99.997% of all bacteria/contaminants!”

“Typically, sports equipment should be *sanitized* with a wet cleaning process after 15 uses.”

*CCRN Reporting*

The Esporta Wash System removes bacteria and other contaminants through hydraulic pressure and specially formulated proprietary detergents. This unique combination of processes sanitizes sports equipment killing 99.997% of all the harmful bacteria/contaminants.
